ADVENT BEGINS ON DECEMBER 3RD

Highlights of the Month: During November, as in all of Ordinary Time (Time After Pentecost), the Liturgy signifies and expresses the regenerated life from the coming of the Holy Spirit, which is to be spent on the model of Christ's Life and under the direction of His Spirit. As we come to the end of the Church year, we are asked to consider the end times, our own as well as the world's. The culmination of the liturgical year is the Solemnity of Our Lord Jesus Christ, King of the Universe. "This feast asserts the supreme authority of Christ over human beings and their institutions.... Beyond it we see Advent dawning with its perspective of the Lord's coming in glory."

— *The Liturgy and Time*, A.G. Mortimort

All Saints

The crown refers to sanctity, the scrolls with the inscription *Sanctus* allude to the chant of the redeemed, "Holy, Holy, Holy." The left half of the shield indicates the brightness of the Heavenly life in contrast to the black right half and the trials of the earthly life.

Solemnity of Christ the King

The last Sunday of the Liturgical Year. This feast is a public, social and official declaration of the royal rights of Jesus, as God the Creator, as The Word Incarnate, and as Redeemer.

The Presentation of Mary

This emblem, a heart with wings and pierced by a sword and suggestive of Mater Dolorosa, is a reference to the words of Simeon, "Yea, a sword shall pass through thine own soul also."

St. Cecilia

The only apparent reason for her to be known as the patroness of music is that St. Cecilia is said to have been skilled in singing the divine praises, oft accompanied by an instrument.

St. Andrew

The patron of Russia, Scotland, and the Ecumenical Patriarchate. According to tradition St. Andrew was crucified on an X-shaped cross, known as a saltire of St. Andrew's cross, in Achaia.

St. Catherine of Alexandria

Patron of chastity and learning. The wheel set with spikes refers to that mentioned in the legend, which is said to have been broken by divine interposition, when persecutors attempted to break her upon it.
