**Apologetics Workshop by Cam Cote, Western Director for the CCB**

Conversations about abortion can be challenging and emotionally charged, yet with the right approach and street-tested tools you can change hearts and minds on abortion. This is an interactive workshop for how you can have compassionate and compelling conversations with your friends, family, and members of your community. This workshop will address the challenging circumstances parents are often faced with during pregnancy, unpack when human life begins, and respond to questions regarding whether pre-born children should be considered "persons" both legally and ethically.

6:30 pm at St Josaphat's Ukrainian Catholic Cathedral – 10825-97St

**The Rose Dinner**

With speaker **Alex Schadenberg**

Keynote **Mark Pickup** on "**Freedom in Surrender**"
